BACKGROUND/EXPLANATION:

This revision will align the Employ Baltimore Executive Order with the Local Hiring Law which becomes effective on December 23, 2013, and relates to all city awarded contracts over \$ 300,000.00 except for professional services and emergency services contracts. The purpose of Employ Baltimore is to expand employment opportunities for Baltimore City residents by encouraging businesses that are awarded municipal contracts to utilize the city's local workforce delivery system to recruit qualified city residents to fill their open jobs. It is designed to maximize the impact of public spending by increasing the labor market participation of Baltimore citizens and stimulating the local economy.

EXECUTIVE ORDER

WHEREAS, the Mayor and City Council of Baltimore ("City") wishes to encourage all contractors awarded City contracts to agree to employ skilled and qualified Baltimore City residents to meet the contractor's employment needs created as a result of the award of a City contract; and

WHEREAS, the Mayor's Office of Employment Development ("MOED") has established the EMPLOY BALTIMORE program designed to create opportunities for businesses that receive City contracts to meet their workforce needs; to access qualified City job seekers; and to ensure that City dollars contribute to the local economy; and

WHEREAS, MOED has a roster of Baltimore City residents, who are skilled and qualified for immediate employment by City contractors; and

WHEREAS, MOED wishes to establish and maintain an ongoing relationship with City contractors in an effort to address current and future employment and/or training needs; and

WHEREAS, increasing employment participation of City residents is good business and a means to improve Baltimore City's employment rate.

NOW, THEREFORE, I, Stephanie Rawlings-Blake, Mayor of the City of Baltimore, by virtue of the authority vested in me by the Charter of Baltimore City, do hereby promulgate the following **EXECUTIVE ORDER**:

1. This Executive Order shall apply to contracts awarded by the City that are in the amounts of \$50,000.01 to \$300,000.00, except for professional service contracts and emergency contracts.

2. Bidders on all contracts awarded by the City in the amounts of \$50,000.01 to \$300,000.00, except for professional service contracts and emergency contracts, shall complete the **Employ Baltimore Certification Statement** contained in the Bid Document and submit it with their bids.

3. Within two (2) weeks of receiving the award of a City contract, the contractor shall schedule a meeting with MOED to: (a) assess its employment needs, and (b) discuss other services provided by MOED. If applicable, MOED will then tailor specific hiring and/or training programs to benefit the contractor. The contractor will not receive its first progress payment under the contract, unless and until the said meeting has been scheduled.

4. Should the contractor's workforce plan indicate a need to fill new jobs, the contractor must agree to post these positions through MOED and its One Stop Career Center Network for a period of seven (7) days prior to publicly advertising the openings. This will enable MOED to identify and refer qualified City residents to the contractor as candidates for these job opportunities.

5. Each contractor shall submit an **Employ Baltimore** Employment Report to MOED on June 30th and December 31st during each and every year of its contract, and at the end of the contract, indicating the number of City residents on its payroll. The submission of the Employments Reports as required shall be a condition precedent to the City's release of a final payment or any and all retainage held by the City, pursuant to the contract.

6. A copy of this **Executive Order** shall be included in all bids, requests for proposals and/or contracts.

7. This **Executive Order** applies to all applicable City contracts entered into on or after December 23, 2013.

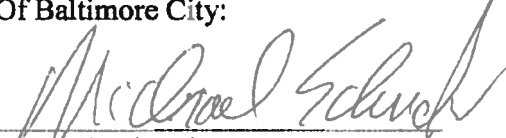

8. This **Executive Order** supersedes the Resolution of the Board of Estimates for the Employ Baltimore Executive Order signed by the Mayor on June 9, 2011, and shall take effect immediately.

MOED Business Services staff recruit and pre-screen applicants based on the company requirements. Your business saves on recruitment costs and could receive up to 50% reimbursement on costs associated with the required training. The positions must be full-time and meet minimum salary requirements. The training can be employer-based, on-the-job, or offered by qualified vendors. Companies awarded Customized Training grants must agree to hire successful trainees. Many companies have used this strategy to increase their workforce and reduce their hiring budget.
