## General Status Updates:

- Law Department is working on a Charter Amendment.
- MOGR is working on the legislative side to make sure it is a smooth process.
- Chair Parker is making meaningful strides to advance the community outreach arm
- OECR is scheduling meetings with 4 jurisdictions willing to speak at a LCAB regarding different models of local control: Los Angeles, CA; Chicago, IL; Austin, TX; St. Louis, MO.

## Charter Amendment Timeline:

- The Amendment will make it clear that this process is to move BPD from State Control to City Control; Law will work directly with DLR for drafting
- Must be introduced, have hearing, and pass Second and Third Reader by July 25 in order to make the August 5 deadline for submission to the State for the 2022 ballot

## Community Outreach Process:

- Want to meet with every quadrant in the City; decided on each police district, utilizing their community rooms. Will partner with CRCs
- Need to have a discussion around budget items for these meetings
- Want to offer a virtual option in light of COVID realities.

## Housekeeping

- Board will meet every Friday at 10am for the remainder of June.
- Outreach and Charter Committees will meet every Tuesday at 2:00pm
- Special meetings will be scheduled as needed, providing advanced public notice
